Our Impact

Mambourin Business Solutions (MBS) Empowering Your Business Through Social Procurement

At Mambourin Business Solutions (MBS), we don't just offer services; we create opportunities. As the social enterprise arm of Mambourin Enterprises, a trusted disability service provider in Melbourne's Western suburbs for nearly fifty years, we are dedicated to transforming lives through meaningful employment.

At Mambourin, our mission goes beyond business. We create life-changing opportunities for Australians with disabilities, and each year, we provide over 95,000 hours of meaningful employment, giving individuals the chance to grow and thrive in a supportive environment.

But we don't stop at employment. We're committed to upskilling our workforce, delivering more than 5,000 hours of accredited and non-accredited training annually. Through our training programs, hundreds of Australians have gained valuable skills, increased their independence, and transformed their futures.

Real Impact, Real Stories

Our long-standing partnerships with key customers have led to remarkable success stories. Thanks to the opportunities provided, many of our supported employees have transitioned into open employment, earning full award wages and contributing meaningfully to the broader workforce.

By partnering with Mambourin, you're not only investing in quality services, you're helping us unlock potential and build a brighter future for countless Australians. Together, we can continue to drive positive change and open doors for those who need it most.

Why Partner with Us

Our organisation delivers top-quality services and creates meaningful employment opportunities for people with disabilities. Working with us strengthens your commitment to social impact, aligning with ESG goals and reinforcing your brand's role in creating a better world.

As ESG reporting gains traction, there's a stronger focus on "Social" – the impact on people and communities. Social impact is the measurable difference an organisation makes. This accountability not only enhances reputation but also builds trust and aligns with consumer and regulatory expectations.

Demonstrating social value isn't just an ethical imperative; it's a strategic advantage. By measuring our impact, we assure our clients of accountability, enhance our effectiveness, and contribute positively to the communities we serve. For your business, aligning with a partner like us offers:

1. **Enhanced Reputation** – Our social mission resonates with stakeholders who value purposeful brands
2. **ESG Alignment** – Meet increasing board-level demands for social responsibility
3. **Stakeholder Trust** – Fulfill consumer and regulatory expectations by partnering with a socially responsible organisation
4. **Sustainability Commitment** – Reinforce your organisation's commitment to social sustainability and community well-being.

Why This Matters for You

Partnering with us shows your commitment to social responsibility, enhances your brand's sustainability profile, and addresses increasing board-level expectations around social impact. As a Certified Social Enterprises, we are committed to responsible practices that your business can proudly support.

Let's Create Societal Change Together.

Grounds Maintenance

Since 1997, MBS's award-winning Grounds Maintenance team has delivered top-tier horticulture services across Western Melbourne region. Our skilled, passionate teams are experts in all aspects of commercial garden care, ensuring exceptional results every time.

Services

- Commercial grounds maintenance
- Lawn mowing
- Edging
- Weeding
- Pruning
- Rubbish removal
- Facilities Maintenance

Major Customers

- Industrial Sites
- Accommodation & Resorts
- Retirement Villages
- Airport site maintenance
- Schools - Western Melbourne region

Over the past 25 years, our customer base has grown exponentially. Clients include small to large scale sites, such as local gardens, schools, commercial apartment buildings, resorts, aged care facilities and childcare centres.

Our gardening teams offer more than just work—they provide hands-on experience, the opportunity to earn a formal qualification in Horticulture, and a clear pathway to meaningful open employment, empowering individuals to build lasting careers.

The Grounds crew from Mambourin came yesterday and did a brilliant job cleaning up the Indigenous Garden. They lopped off overhanging branches, pulled a multitude of weeds and uncovered a bull ant nest. They also trimmed up the nature strip in front of the garden. It all looks fantastic!
